**SECOND INFORMATION DISCLOSURE STATEMENT**

MS Amendment  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

The Applicant, through its representatives and attorneys, hereby brings to the attention of the examiner the seven (7) Japanese language documents identified on the accompanying Form PTO-SB/08, together with English language translations. These documents were noted in an Office Action dated August 14, 2007 in connection with the Applicant's corresponding Japanese priority application. Copies are provided, along with a copy of the Japanese action for which a translation is not readily available.

This will certify that each item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement, as noted above. The relevance of the documents can be found in the English language text and from the fact of their citation in the corresponding Japanese application.

This case is pending on petition to revive, with a response to the first Office Action. Accordingly, this submission is timely in that it is presented after a first action but before a final action, with certification.

No fee is believed to be required. If any fee is required or any overpayment made, the Commissioner is hereby authorized to charge the fee or credit the overpayment to Deposit Account # 18-0013.

Dated: October 18, 2007

Respectfully submitted,

By
